# WHO WE ARE

BEHIND THE JOURNEY, BEYOND THE BRAND.

# WE ARE A TEAM OF SIX DESIGNERS

We are a team of six  
designers from Egypt's  
Digital Pioneers Initiative  
(DEPI), united by our  
love for design and our  
belief that Egypt deserves  
a visual identity as great  
as its civilization.

# WHY KEMET?

Most Egyptian tourism brands rely on repetitive visual clichés —  
**pyramids, camels, sand.**

The visual branding fails to reflect Egypt's true depth or speak to the modern global audience.

Overused Imagery

Lack of Authenticity

Weak Storytelling

Limited Global Appeal

## KEMET

[ kem-it ]

*noun*

the ancient Egyptian name  
for Egypt, meaning  
"the black fertile land."

# WHY KEMET?

'KEMET' is the ancient Egyptian name for  
Egypt, meaning "the black fertile land."

We chose this name because it connects  
the brand to its deepest roots, carrying  
the meaning of **fertility**, **giving**,  
and **authenticity**.

Fertility

Giving

Authenticity

# THE JOURNEY OF *Decision*

01

WE CONSIDERED  
AN AWARENESS CAMPAIGN  
FOR PEOPLE WITH SPECIAL NEEDS

02

دوق طعم الأجاره

WE CONSIDERED  
REBRANDING  
FRIDAY FOR ICE CREAM

03

WE CHOSE  
**KEMET**  
BECAUSE **EGYPT** DESERVES BETTER

WE EXPLORED OPTIONS.

*We chose meaning.*

# WE CHOSE TO TARGET *foreigners*

COMING TO EGYPT  
TO SEE MORE THAN  
JUST THE PYRAMIDS.

Authenticity

# KEMET

# NADA • BANNER

The banner is designed to capture attention and spark curiosity, inviting travelers to discover the real Egypt beyond the obvious. It blends striking visuals with a clear message, creating an emotional connection that inspires exploration and belonging.

## Purpose

Capture  
Attention

Inspire  
Exploration

Build Emotional  
Connection

The KEMET logo features the word "KEMET" in a stylized, bold, blue font. The letter "K" is unique, with a blue swoosh that loops around the top and extends to the right, resembling a stylized wing or a traditional Egyptian hieroglyphic element.

## Icon of Knowledge Bibliotheca Alexandrina

The Bibliotheca Alexandrina is a major cultural and educational center in Egypt that brings together knowledge, culture, and innovation. It welcomes visitors from around the world and plays an important role in supporting learning and cultural exchange.

Exterior Wall Inscriptions

The exterior wall is made of Aswan granite and carved with more than **120 scripts** from ancient and modern civilizations, symbolizing the diversity of **human knowledge**.

The design transforms the building's façade into a **"stone library,"** reflecting the idea that knowledge is universal and shared by all cultures.

Main Reading Hall

The Bibliotheca Alexandrina has the capacity to hold up to **8 million books** in different languages and subjects from cultures around the world.

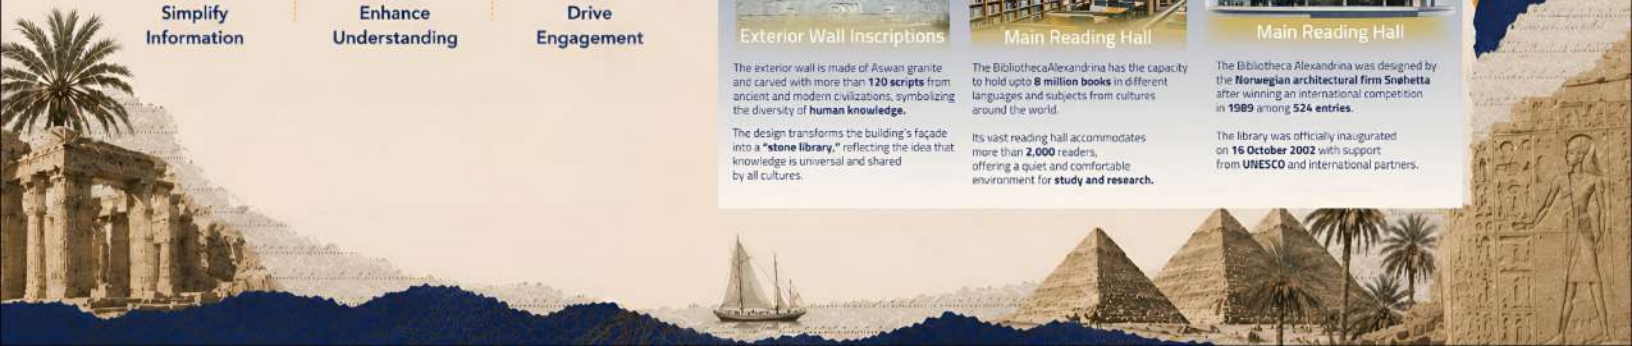

Its vast reading hall accommodates more than **2,000 readers**, offering a quiet and comfortable environment for **study and research**.

Main Reading Hall

The Bibliotheca Alexandrina was designed by the **Norwegian architectural firm Snøhetta** after winning an international competition in **1989** among **524 entries**.

The library was officially inaugurated on **16 October 2002** with support from **UNESCO** and international partners.
